6) There's NO secure Mailbox on the B1 Unit.

Complaint

- 8) We Argue That showering is NOT Recreation.
- 9) We argue that we are entitled to A minimum 165 minutes of Recreation and shower time per day.
- 10) We argue this was A fairly Recent Federal Court decision at which Bridgewater Hospital staff are violating.

Relief

- 11) We ask The Court to Grant The Injunction and Order

 - 2) The defendant install An official Mail and Grievance Box — secured and accessible only to designated officers.
 - 3) To Implement An Informal free Request system.

4) To Order The Defendant to provide Legal Services and access to a Law Library.

Wherefore, The Plaintiff's Respectfully Move and summon (This Most honorable Court to secure and protect our rights.

The majority of us plaintiffs "in" BI have mental difficulties.

We believe our rights are being violated because of it.

Respectfully Submitted.
